

Amery Memory Care

A happier life for everyone

January/February 2016

Amery Memory Care

When a loved one encounters memory issues, unique challenges arise for the person affected and their family members. We at Amery Memory Care know the emotions they experience and the importance that human kindness plays in helping. We also believe that assuring the resident's personal dignity is the cornerstone of providing care.

We love our Veterans!!!

Congregational Church Carolers and presenters of warm fuzzy blankets
