

# Amery Memory Care

A happier life for everyone

March/April 2016

## Amery Memory Care

When a loved one encounters memory issues, unique challenges arise for the person affected and their family members. We at Amery Memory Care know the emotions they experience and the importance that human kindness plays in helping. We also believe that assuring the resident's personal dignity is the cornerstone of providing care.

Remember to  
“spring forward”  
on Sunday 3/13
