AMC walking
for a cure

When a loved one encounters memory issues, unique challenges arise for the person affected and their family members. We at Amery Memory Care know the emotions they experience and the importance that human kindness plays in helping. We also believe that assuring the resident's personal dignity is the cornerstone of providing care.

Notes:

We will be facilitating our Memory Café at Parkview Methodist Church in Turtle Lake on Tuesday, December 8 at 9:30am! A great benefit to the local community providing a gathering place for those with memory impairments and their loved ones to socialize and engage with others traveling the same type of journey.

Living in Wisconsin, we don't have to tell you that winter is approaching. This would be a great time to switch out clothing for your loved ones. With outings in the winter, having gloves, hats and warm coats here in Wisconsin is inevitable as we all know. This would be a good time to be sure that your loved one has the warm things they need.

*Make sure to make your holiday
RSVP's to the kitchen if you plan to spend
the holiday dinner with your loved one.*
